

2019 Lyon County Fair Open Tractor Show

The Lyon County Fair is asking for all people interested, both rural people and town dwellers, to enter their collector tractor and any implement in the Open Tractor Show at the Lyon County Fair.

Any implement is also invited and welcome. Plan to bring the equipment in to Rock Rapids (Lyon County Fairgrounds) on Monday, July 22nd.

You can take them home anytime, but we would really like things to remain through Wednesday, the 24th of July.

Thank you.
